Communication via email, text-messaging, or SKYPE can be done.

More and more of my clients are out-of-town (non Hampton Roads, VA) via Internet.

When requesting a time-slot for tutoring-session(s), please give to me different day(s) and time(s) that may best fits your schedule. I will confirm which time-slot(s) that have not been taken by other clients, and can be reserved exclusively for you. Whenever possible, please stick with a regular schedule because scheduling can be a mess-and-headache. It benefits you greatly, and to your advantage.
